DESCRIPTION

ford f-150 lightning xlt supercrew 2023 jamais accidente batterie haute autonomie de 131 kwh capacite de remorquage de 10 000 lbs 483 km autonomie electrique navigation

This pre-owned 2023 Ford F-150 Lightning xlt SuperCrew is available now at Sherbrooke Honda in Sherbrooke, with 42 403 km on the odometer and a clean, accident-free history. Powered entirely by electricity, this full-size pickup combines everyday practicality with serious capability in a package that's ready to work from day one. The F-150 Lightning holds a strong position in the electric truck segment as the most recognized nameplate in its class, backed by Ford's proven reliability and strong resale value. The Pro trim is a well-equipped starting point for buyers - whether contractors, commuters, or families - who want the capability of a full-size truck without compromising on technology. The high-capacity 131 kWh battery delivers up to 483 km of electric range, and the truck is rated to tow up to 10,000 lbs, making it a genuine workhorse. It also comes equipped with integrated GPS ...
